COUNCIL COMMUNICATION

AGENDA TITLE: Set Public Hearing for June 19, 1996 to Review Cost Report of Weed Abatement

MEETING DATE: June 5, 1996

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council set a public hearing for June 19, 1996 to receive a report of the cost of weed abatement at 804 and 810 Black Diamond Way and to hear any objections of the property owners liable to be assessed for this abatement.

BACKGROUND INFORMATION: Several months ago, the City Council initiated weed abatement proceedings on five parcels which contained tumbleweeds. The property owners were notified according to the Government Code and a public hearing was held on March 20, 1996 to hear any objections to the removal of the weeds. No objections were received at that public hearing and the Street Superintendent was ordered to abate the nuisance declared by Resolution 96-08. Shortly after the public hearing on March 20, all but two of the parcels were cleared of tumbleweeds by the owners. The other two parcels were cleared by the City.

The Government Code provides that the City Council shall set a public hearing to receive a report of the cost of abatement in front of or on each separate parcel of land where the work was done by the City. At the time fixed for receiving and considering the report, the legislative body shall also hear any objections of the property owners liable to be assessed for the abatement. After the public hearing and confirmation of the report by the Council, a copy shall be forwarded to the County Assessor and Tax Collector who shall add the amount of the assessment to the next regular tax bill levied against the parcel for municipal purposes. The owner will have the opportunity to pay the assessment prior to the time it is forwarded to the Tax Collector.
